

Workplace safety. Workplace savings.

Each year, thousands of people are blinded from injuries that might have been prevented with proper eye protection.¹ That's why GVS members can benefit from IndustrialEyes, a safety eyewear discount program that offers up to a 60% discount for ANSI-certified frames and lenses.

MAXIMIZE SAVINGS AND CONVENIENCE

When members go to use the program, they have over 1,000 locations to choose from, including LensCrafters®, Target Optical® and participating Pearle Vision® stores. All of these locations also accept Group Vision Service vision benefits — so members can use their regular vision benefits at the same time — and have evening and weekend hours for even more convenience.

MINIMIZE HASSLE

IndustrialEyes is easy to use. Just present an authorization form to the providers participating in this program, and enjoy the savings for quality ANSI-certified safety glasses. Make sure GVS members have extra protection – visit [Groupvisionservice.com](https://www.groupvisionservice.com) under the members tab *Value added Member Discounts*.
